ROI
^

MBA? Check. An investment career? Check us out.
~~Not just any investment, your investment.~~
^

to ~~As an investment professional with the Capital Group, you will produce your own investment ideas and pick your own securities. You'll discover that there are no politics or corner offices that will get in the way of that independence. Instead, you will find a culture that places a premium on cooperation and respect for one another.~~

For 75 years, we have remained single-minded in our desire to do right by our investors without compromising our desire to do right by our associates.

Join us. We think you ~~will~~ appreciate ^{your} the return on the investment.

Please join us on [date, time, place] (tk)

For more information, visit us at capgroup.com/mba
